Magic by the Lake Yearling Books

When a mysterious man arrives one day on Orange Street, the children who live on the block try to find out who he is and why he's there. Little do they know that his story—and the story of a very old orange tree—connects to each of their personal worries in ways they never could have

imagined. From impressing friends to dealing with an expanding family to understanding a younger sibling's illness, the characters' storylines come together around that orange tree. Taking place over the course of a day and a half, Joanne Rocklin's masterful novel deftly builds a story about family, childhood anxieties, and the importance of connection. In the end the fate of the tree (and the kids who care for it) reminds us of the magic of the everyday and of the rich history all around us. Praise for One Day and One Amazing Morning on Orange Street STARRED

REVIEWS “Unfolding in one day’s time, the story recounts how secrets are revealed, curiosity is satisfied and wishing becomes hope because the spirit and ties of friendship and community are resilient and strong. Fully realized characters and setting definitely make this one morning on Orange Street amazing.” –Kirkus Reviews, starred review “Fascinating and thought-provoking, the writing has a gentle cadence, richness in detail, and is charged with emotion. The book, like the oranges on the Orange Street tree, presents segments of life that are both sweet and tart and sure to satisfy.” –School Library Journal, starred review “A touching story, beautifully told in multiple viewpoints.” –Booklist “Each chapter focalizes the third-person narration through a particular child, and the book weaves the singular tales into a larger story about a community that is pleasingly quirky but still believable. The Penderwicks on Gardam Street

Told in alternating voices, this smart and engaging middle grade novel from the beloved Kevin Henkes is the story of two boys coming together in friendship as they struggle with family conflicts and tragedy. There are ghosts at Bird Lake, and they're

haunting Mitch and Spencer. Not the Halloween kind, but ghosts of the past. Memories of how life was before—before the divorce, before the accident. Can their ghosts bring Mitch and Spencer together, as friends? Or will their secrets keep them apart? Mitch feels isolated at his grandparents' house and can't help hating his father, who walked out on him and his mom two and a half weeks earlier.

Spencer's family has decided it's finally time to return to Bird Lake, years after his brother, Matty, drowned there. Both boys arrive at the lake scarred and fragile, but as they become friends, the sharp edges of their lives smooth out and, slowly, they are able to start healing. "Superbly crafted. A 'must have' for every library."

Things look good as they settle into their cozy cottage, with a rocky shore, enthusiastic seagulls, a just-right corner store, and a charming next-door neighbor. But can Skye hold it together long enough to figure out Rosalind's directions about not letting Batty explode? Will Jane's Love Survey come to a tragic conclusion after she meets the alluring Dominic? Is Batty—contrary to all accepted wisdom—the only Penderwick capable of carrying a tune? And will Jeffrey be able to keep peace between the girls . . . these girls who are his second, and most heartfelt, family? It's a rollicking ride as the Penderwicks continue their unforgettable adventures in a story filled with laughs and joyful tears!
