2014 Guide to Self-Publishing Troubador Publishing Ltd

Nothing rivals the sense of accomplishment that comes from getting your first book published. It is thrilling and exciting to see your name in print. As a first-time author, you are eager to share your work and voice with the world, but you may be wondering just how to break into this challenging and ever-changing industry. The Complete Guide to Getting Your First Book Successfully Published is here to help make your dream a reality. This helpful book details the types of publishing you may choose, including traditional, subsidy, vanity, print-on-demand (POD), and self-publishing. You will learn about the tried-and-true basics of book publishing as well as about innovative additions to the industry, such as e-readers like Amazon's Kindle and Apple's iPad. You will learn everything from copyrighting and cataloging to book printing and binding. This book will also show you the different tax write-offs available for authors. You will be taught how to write a killer query letter and a perfect book proposal to increase your chances of having your book considered by traditional publishers. You will also discover what to look for in a literary agent and how to read the fine print on publishing contracts. This book discusses how to create, develop, and maintain a strong relationship with your editor, which is an integral part of getting your publishing success. Recognize how to find the right freelance editor to objectively edit your book without compromising your tone. And learn about the types of editing you may need and how much to charge an editor for those services. Once the editing is complete, you're ready for the design process. But don't worry this book will guide you through it. Learn how to create a cover and interior design that will grab your readers attention and complement your book's theme and tone. Reader familiarity is the biggest factor in sales, with 60 percent of readers saying their decision to purchase a book hinges on already being fans of the author. Thus, it's important to establish yourself as a likable and talented author. Although you may be tight on your promotion budget, this book arms you with dozens of low-cost tactics to get your book and your name in the limelight, increase your following, and maximize your sales. You will learn about book tours and signings, sending out press releases, preparing for news interviews, getting your Web site high in search engines, and tapping into social media networks like Facebook, YouTube, and Twitter. You will also learn how to market your book on Amazon, the key player in book sales, in order to get your book maximum exposure. Take advantage of the expert advice we've gathered from all types of publishers and authors to give you a real-life glimpse into today's

publishing industry. An extensive resources section of this book includes places to find literary agents and POD companies as well as a sample query letter, a book proposal, and a press release. You'll also benefit from referring to a sample blog post and a fact-based article to craft your perfect marketing campaign from these examples. With The Complete Guide to Getting Your First Book Successfully Published in your hand, you're sure to hit the ground running to becoming an established, respected author in the publishing industry.

LyX is a free, easy, powerful, and user-friendly document processor. It is developed by engineers and researchers around the world. Scientists, professors, and graduate students at major universities around the world use LyX to write articles, text books, term papers, research papers, and theses. Major publishing houses use LyX to format all kinds of books you see in bookstores

everywhere. LyX has been in use for decades now. Unfortunately, many students and writers still do not know LyX. They only know Microsoft Word, Wordperfect, OpenOffice Writer, and the likes. These software are good for office documents. But they are not designed to automate the process of document formatting and typesetting. This book shows you where to get and how to install LyX and quickly teaches you how to use LyX to create professionally looking term papers, research papers, theses, paper books and ebooks.

Whether you are promoting a published book or plan to write and publish one soon, you will refer to this manual again and again. Book jacket.

The Joy of Self-Publishing Devil's Rock Publishing

Publishers and independent authors everywhere are excited-and somewhat anxious-about the move toward digital publishing. eBooks are revolutionizing the publishing world, and eBook reading devices like the Amazon Kindle are on the forefront of this revolution. However, the text formatting the Kindle requires can be hard to decipher and even harder to implement. This book serves as a guide to the process of formatting eBooks that look great on the Kindle every time. Each step is explained in detail, with examples and formatting tips found nowhere else. In addition to instructions for the conversion and formatting process, this book contains detailed explanations of all the HTML and CSS markup supported by the Kindle, instructions for achieving optimal image display quality on the E Ink screen, and other details about the Kindle's formatting requirements previously left to chance or speculation. Beautiful eBooks are at your fingertips. The Kindle and its readers await.

The Complete Manual of Typography Entrepreneur Press

"Publish Like the Pros: A Brief Guide to Quality Self-Publishing" is a must-read for new authors who want to get it right when self-publishing their books. Self-publishing is a perplexing and ever-shifting landscape; it's easy for authors to get taken in by self-publishing companies that promise the moon but don't deliver. In just 88 pages, "Publish Like the Pros" takes the confusion out of self-publishing and gives authors the six steps to publishing quality professional books that don't scream "I'm self-published!!" The self-publishing author will find everything he or she needs to get started, including cover design, book titles, typesetting, editing, and proofreading, and a special chapter on book distribution, pricing and marketing. Written by a book designer with years of experience working with both first-time authors and seasoned publishers, "Publish Like the Pros" speaks directly to new authors who want to publish a book that they can feel proud of and that sells! Industry leaders praise "Publish Like the Pros" DeFilippo has written a complete overview of the book industry and the publishing process that will allow both authors and self-publishers to make their way through the self-publishing process quickly and successfully. I was amazed at the up-to-date insights and money-saving advice in this book! Want to do it right? Want to avoid a lot of the mistakes that plague first time self-publishers? Read "Publish Like the Pros" and call 1106 Design. -Amy Collins, owner of The Cadence Group and New Shelves Distribution, <http://www.thecadencegrp.com/distribution> Traditional self-publishing has been hijacked (I should know!). Authors who follow the "do-it-yourself" approach recommended by self-serving POD publishers soon discover that plain covers do not attract buyers. In "Publish Like the Pros: A Brief Guide to Quality Self-Publishing," Michele DeFilippo explains how quality books have always been created-with an eye to the future. Armed with this advice, authors can take full advantage of today's unprecedented opportunity to distribute and promote their books without middlemen, and successfully compete in the book publishing industry. -Dan Poynter, author of "The Self-Publishing Manual" As a book shepherd who turns unpublished writers into well-published authors, I'm constantly guiding authors away from cheap junk and toward choices that create a book that looks and sounds as good as or better than anything coming out of the big publishers. DeFilippo's pleas for professionalism will be very helpful in convincing my clients that it's much better to self-publish the right way-if you want to create a book that will sell copies and influence people. -Shel Horowitz, book shepherd and book marketing specialist, <http://shelhorowitz.com>

Song of the Dryad Penguin

2nd Edition: EXTENDED! REVISED! UPDATED! Publishing a print book with Createspace or Lulu is fairly easy. But unless you know how to lay out a book, AND how to achieve the results you want in your word processor, the result won't do your writing justice. In this guide, I will show you how to format your book's interior: * What you need to know about book layout and typesetting to get professional results.* How to use Microsoft Word 2007, 2008, 2010, 2011 & 2013 to achieve those results (with notes for Word 2003 users) * eBook tips: how to format your manuscript in Word so you can move easily between print, Kindle, ePUB, and Smashwords editions. (Note: this is not a comprehensive guide to building eBooks). *NEW! A workflow for publishing a book through Createspace. Follow the workflow and use the cross-references to find the detailed discussion later in the book for each step. *NEW! Answers to the questions about paperback publishing that I am

often asked by my book-formatting clients, such as: how to pick the right trim size, how to set pricing, what kind of ISBN you should use, and how to link print and kindle editions on Amazon.*NEW! The correct way to use paragraph and page breaks in Word.*NEW! Advanced topics: add that final level of polish with subjects such as kerning & OpenType settings, using Unicode code points in paperbacks and eBooks, dot gain & color spaces, faux glyphs and how to avoid them, the perils of transferring Word files between Mac & Windows, and how to republish your back catalog.*NEW! Many more screenshots and diagrams (now 76). All are reproduced in the paperback and eBook editions of this book, and are also available from the book's website. A note for Mac users. Screenshots are taken from Windows editions of Word, and references made to any significant Mac differences (specifically: keyboard shortcut differences, selecting fonts, and the PDF print capability built into OS X). While I have worked with Mac users to research the second edition, in the interest of honesty I declare that although I have laid out dozens of paperback books using Windows editions of Word, I have not produced any using a Mac. Hence there is a Windows-first bias to the text and images.

Perfect Pages eBookIt.com

How do I self-publish my new book? And how much will it cost? Have you ever asked yourself these questions? If so, this is the perfect book for you! In this concise and practical self-publishing guide for aspiring authors, Mike Kowis, Esq., shares his 14-step process to publishing attractive, well-written, and effectively marketed books. Don't worry, it's MUCH easier than you think! In this step-by-step guide, you will learn: *Everything you need to know about self-publishing, including advice for editing, designing, distributing, and marketing your book;*How much this process costs; plus*The surprising lessons Mike learned from self-publishing his award-winning debut book. This handy book also includes a checklist of the entire 14-step process so you won't miss a single thing. MIKE KOWIS, ESQ., is a corporate tax attorney, college instructor, and award-winning author. During the two-month process of self-publishing his first book, *Engaging College Students: A Fun and Edgy Guide for Professors*, Mike took careful notes on each step and later decided to write this book to help other authors who want to self-publish. Mike holds a bachelor's degree and two law degrees, including an advanced law degree from Georgetown University Law Center. He lives in Texas with his beautiful wife, Jessica, their two rambunctious children, and two noisy but sweet dogs. You can find more information at www.engagingcollegestudents.com/self-publishing-guide.

BUTTERFLY STORM Lecture Pro Publishing

Self-publishing can be more rewarding than being published - creatively, financially, and in other respects - if you go about it the right way. You could well be confused, as many self-publishers are, by the multiplicity of options available to you. The good news is that you can now make your books visible and available to book buyers around the world at minimal cost. An ebook (PDF) edition of this book was made available worldwide at no cost, an edition for the Kindle, iPad, Nook, Sony eReader and other e-readers made available for GBP95.00, a paperback edition made available worldwide for GBP42.00. As a self-publisher, what are your options for new books? Should you choose an offset lithography print run, a digital print run, or maybe print-on-demand (POD)? Hardback or paperback, or other formats? Possibly an ebook too? And, crucially, how will you get your books distributed cost-effectively to buyers around the world? This book will take you through the options and explain their

relative advantages and disadvantages. It provides guidance on selecting book topics with strong sales potential; writing distinctively; obtaining a professional critique of your work; writing content-rich non-fiction; writing in a number of genres; choosing between hardback and paperback and other formats; choosing the optimal printing method; book content formatting; book specifications; colour plate section options; distribution; print-on-demand ('POD'); order fulfilment; dealing with Amazon, Lightning Source, Nielsen, and Bowker; printers; copy-editors and proofreaders; typesetters; cover designers; photographers; pricing and marketing your books; and a whole lot more besides. The book includes a sample chapter from the author's international bestseller *Two Men in a Car* (a businessman, a chauffeur, and their holidays in France) along with the plate section from the book. Mike Buchanan, a British writer and former business consultant, is the author of eight books since 2008. He's been published internationally by a leading publisher (in English and Chinese editions), and he's self-published. He much prefers self-publishing for a variety of reasons. In January 2010, at the age of 52, he took early retirement and now writes and self-publishes full-time. He developed the model of 'commercial self-publishing' outlined in this book. The model has been designed to help self-publishers enjoy their writing more, increase their output of strong titles, and maximise their profits.

Managing the Obvious Enchanted Ink Publishing, LLC

This 2007 version of the book was the last version published. For partial updates, please visit Aaron Shepard's Publishing Page. Please note also that the Word versions described in this book possessed an earlier interface as well as features better suited to print publishing. Nowadays, new technologies and services have made it easier than ever to publish your book, but there's one question you may still face: Do I need an expensive page layout program, or can I just use a word processor like Microsoft Word? With this book as guide, you'll soon be producing pages from Word that no reviewer will scoff at. // Aaron Shepard is a foremost proponent of the new business of profitable self publishing through print on demand, which he has practiced and helped develop since 1998. Unlike most authorities on self publishing, he makes the bulk of his living from his self-published books -- not from consulting, speaking, freelance writing, or selling publishing services. In a parallel life, Aaron is an award-winning children's author with numerous books from publishers large and small. // "If you want to make your layout and formatting as unproblematic as possible and you don't want to shell out \$1-\$2k for someone else to do it for you, then add this book to your library. . . . Using this book, I've found page layout pretty fun and now look forward to that part of the process." -- Zoe Winter, Indie Books Journal (blog of IndieReader.com), Apr. 12, 2010 "If you want to use MS Word for typesetting, you really, really should own a copy of Aaron Shepard's book *Perfect Pages*. Nobody knows more about making Word produce acceptably typeset books." -- Walt Shiel, *From the Publisher's Desk*, Aug. 27, 2007 "If you are a self-publisher, the biggest favour you can possibly do for yourself is to learn how to present your work to its best possible advantage. And in that regard, Aaron Shepard is an invaluable aid." -- Michael Allen, *Grumpy Old Bookman*, Apr. 17, 2007 "Excellent not only as a guide to using Word to design books, but also as a concise guide to book design." -- Morris Rosenthal, author, *Print-on-Demand Book Publishing* "On target . . . Concisely addresses a lot of topics that Word users need to know about." -- James Felici, author, *The Complete Manual of Typography*

The Self-publishing Manual Penguin

Do you want to successfully self-publish in ebook, print or audiobook formats? There are thousands of new books being published every day, but many self-published books quickly sink to the bottom of the pile. Many authors are frustrated because there are so many options for self-publishing, and they don't know which one to choose or what will be best for their book. Others spend thousands of dollars to publish and end up broken-hearted with the result. But it doesn't have to be this way. I've spent the last ten years self-publishing bestselling fiction and non-fiction books and in 2011, I left my day job to become a full-time author-entrepreneur. I've made lots of mistakes along the way, but through the process of self-publishing 27 books, I've learned the most effective way to publish and market your books. In this book, I'll share everything with you. The book includes: - What you need to know before you self-publish - Why self-publishing an ebook is a good idea - How to format an ebook - Exclusivity and going direct - How to self-publish an ebook - Why self-publish a print book - Print-on-demand will change your life - What you need to know before you print - How to self-publish a print book - What to do if you want help with the publishing process - How to self-publish an audiobook - After self-publishing - How much does it cost to self-publish? - How do you get paid when you self-publish? - Book marketing principles - How to market fiction - How to market non-fiction Plus, links to more useful resources. If you're ready to successfully self-publish, then download a sample or buy now.

The Nonfiction Book Publishing Plan Atlantic Publishing Company

Smart Self-publishing Tabby House

This book includes 4 full-length, detailed guides to self-publishing (628 pages in all, with 4 books combined together into one). These take you step-by-step through formatting (largely geared toward Microsoft Word), publishing (with CreateSpace and Kindle), marketing, and much more. Book 1: A Detailed Guide to Self-Publishing with Amazon, Vol. 1 Book 2: A Detailed Guide to Self-Publishing with Amazon, Vol. 2 Book 3: How to Self-Publish a Book on Amazon.com Book 4: Formatting Pages for Publishing on Amazon with CreateSpace Added Content: Articles on Self-Publishing (from the Author's Blog) AUTHOR: Chris McMullen has written and self-published over a dozen paperback books and eBooks. This 4-volume boxed set also was self-published using the same techniques that are described here. Chris McMullen shares numerous useful formatting tips in clear language with precise, detailed instructions. BOOK 1: A DETAILED GUIDE TO SELF-PUBLISHING, VOLUME 1: Find highly detailed try-it-yourself, walk-you-through-it tutorials for how to use Microsoft Word 2010 (which is similar to Word 2007 and 2013) specifically with Windows to publish your book both as a paperback book and as an eBook. This includes: How to use numerous formatting features (like page borders and bookmark hyperlinks). How to convert the content file for your paperback book into an eBook. How to format pictures and equations in an eBook with a variety of eReaders in mind. How to minimize the eBook's file size. How to draw your own pictures from scratch. BOOK 2: A DETAILED GUIDE TO SELF-PUBLISHING, VOLUME 2: Find highly detailed instructions for how to edit, perfect, and market your books. Some of the specific topics include: Several common mistakes in

cover design and subtle pointers for perfecting the cover. Premarketing strategies that you should be applying before you publish to give your book a headstart. Using Roman numerals and Arabic page numbers, and different headings in each chapter in Word 2010. Understanding how to interpret Amazon's sales rank and author rank. A variety of tips for arranging and preparing for book readings and signings. Learning the true meaning of marketing and how to apply it to effectively sell your books. Using boldface, italics, linespaces, and bullets in your book description. All about branding your book and your image as an author. Setting up an AuthorCentral account, WordPress or Blogspot blog, and Goodreads author page. **BOOK 3: HOW TO SELF-PUBLISH A BOOK ON AMAZON.COM:**This book begins with the decision to self-publish or traditionally publish, moves onto important information on developing the concept and researching the book's potential, provides a thorough discussion of formatting and designing the book interior and cover in both Word 2003 and 2010, describes how to convert the Word document to PDF, shows how to publish both paperback and e-book editions, and concludes with a detailed introduction to marketing that both novices and experienced authors will find informative and helpful. **BOOK 4: FORMATTING PAGES FOR PUBLISHING ON AMAZON WITH CREATESPACE:**This self-publishing guide is focused on the details with which most self-published authors struggle. As such, the book provides in-depth coverage on formatting the interior file, yet is also concise by focusing on this one important topic. Get your formatting questions answered quickly and then get back to what you love most - writing, of course! **ADDED CONTENT: ARTICLES ON SELF-PUBLISHING (from the Author's Blog):** Formatting Marketing Publishing Comical Relief

Pistol Daisy University of Chicago Press

The Silent Patient by way of Stephen King: Parker, a young, overconfident psychiatrist new to his job

at a mental asylum, miscalculates catastrophically when he undertakes curing a mysterious and profoundly dangerous patient. In a series of online posts, Parker H., a young psychiatrist, chronicles the harrowing account of his time working at a dreary mental hospital in New England. Through this internet message board, Parker hopes to communicate with the world his effort to cure one bewildering patient. We learn, as Parker did on his first day at the hospital, of the facility's most difficult, profoundly dangerous case--a forty-year-old man who was originally admitted to the hospital at age six. This patient has no known diagnosis. His symptoms seem to evolve over time. Every person who has attempted to treat him has been driven to madness or suicide. Desperate and fearful, the hospital's directors keep him strictly confined and allow minimal contact with staff for their own safety, convinced that releasing him would unleash catastrophe on the outside world. Parker, brilliant and overconfident, takes it upon himself to discover what ails this mystery patient and finally cure him. But from his first encounter with the mystery patient, things spiral out of control, and, facing a possibility beyond his wildest imaginings, Parker is forced to question everything he thought he knew. Fans of Sarah Pinborough's *Behind Her Eyes* and Paul Tremblay's *The Cabin at the End of the World* will be riveted by Jasper DeWitt's astonishing debut.

Love at First Site Houghton Mifflin

Book Design Made Simple gives DIY authors, small presses, and graphic designers--novices and experts alike--the power to design their own books. It's the first comprehensive book of its kind, explaining every step from installing Adobe(R) InDesign(R) right through to sending the files to press. For those who want to design their own books but have little idea how to proceed, Book Design Made Simple is a semester of book design instruction plus a publishing class rolled into one. Let two experts guide you through the process with easy step-by-step instructions, resulting in a professional-looking top-quality book
